

[e1] Usually you only have eight weeks to complete a bachelor thesis in linguistics degrees.

[e2] Adjusting the portion of the total grade upwards anyway would not be commensurate to other study assignments and examinations.

[e3] Current regulations for the calculation of the total grade should therefore be maintained.

[e4] Indeed the preparation of such a scientific work is a fundamental competency that must be acquired in philological degrees.

[e5] Throughout the six or seven semesters, however, topics are covered that likewise ought to carry weight.
